The Osborn and Osborn Home Care are part of The Osborn Network, a 501 (c) (3) non-profit charitable organization that offers a continuum of care community for seniors, with a wide range of programs including independent living, assisted living, memory care through the H.O.P. Center, long-term skilled nursing care, short-term and out-patient rehabilitation, and home care services in Westchester and lower Fairfield Counties.

The Osborn is accredited by CARF-CCAC (Commission on Accreditation of Rehabilitation Facilities and Continuing Care Accreditation Commission), which is widely recognized as the highest standard of excellence for retirement communities. In addition, The Osborn has an "A-" rating from Fitch Ratings for its financial strength, a rare accomplishment among retirement communities.

CEO Matt Anderson helps raise the flag donated by the Flower family.
