“The Osborn's future depends on many things, including the generosity of its current residents and donors. I have made provisions in my estate plans for The Osborn Foundation. I hope others will consider doing the same.”

About Miriam Osborn

The Osborn was founded by a legacy gift from Miriam Osborn.

She wanted to create a place where her aging friends and neighbors could live comfortably - even if they outlived their resources.

Over a century later, caring for those in our community remains central to our mission.

The Osborn Foundation is the charitable arm of The Osborn. It was founded in 2015 so that residents, families, and friends could support programs and projects that improve the lives of those in our community. Donations can be directed towards our Charity Care, Employee Enrichment, Academic Achievement Award, and Arboretum Conservation programs, or as a general unrestricted gift toward the areas of greatest need.
