

## Outpatient Rehabilitation at The Osborn Pavilion

The Osborn has an excellent reputation for a high level of rehabilitative care in a warm and welcoming setting.

### **Services offered:**

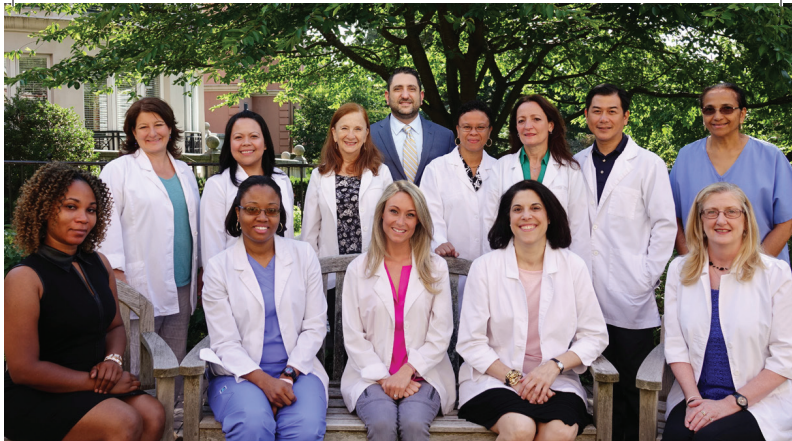

- Physical Therapy
- Occupational Therapy
- Speech Therapy

### **What is Outpatient Rehabilitation?**

Our skilled therapists help you build strength and flexibility after an injury or if you are experiencing pain that limits your daily activities.

If you or someone you know has mobility or speech issues associated with Parkinson's or Parkinson's-like conditions, we offer specialized LSVT therapies.

Rehabilitation can also be valuable if you are tackling a specific issue or need to improve your general health and well-being.
