The Pavilion offers a wide range of services to area seniors and Osborn residents, including:

- **Long-term Nursing Care** - Registered Nurses (RNs) and other licensed nursing personnel provide comprehensive long-term skilled care and round-the-clock monitoring.
- **Short-term Rehabilitation** - Inpatient occupational, physical and speech therapists foster independence by motivating and assisting residents in recovering as quickly and completely as possible from such events as joint replacement surgery, injury, stroke or illness.
- **Respite Care** - A temporary stay at The Osborn Pavilion offers care and support, while a primary caregiver attends to other responsibilities or enjoys some time away. Care services are customized to specific needs and preferences, so residents feel comfortably at home during their stay.
- **Hospice** - The Osborn's interdisciplinary team works together to ensure the comfort of residents and family members in a home-like setting, as well as responsive, supportive care.
- **Outpatient** - Physical occupational and speech therapy also available

The Pavilion includes a medical suite with specialty examination rooms, such as ophthalmology, podiatry and dentistry. In addition, the rehabilitation clinic is equipped and professionally staffed for speech, occupational and physical therapies.

The Highest Quality of Life.

The Pavilion features 84 private resident rooms on two floors, uniquely clustered in groups of seven or eight. This design approach helps to create a warm sense of neighborhood for residents and their guests.

Guests are welcome 24 hours a day and enjoy convenient free parking.

Our Dining Services Staff offers nutritious, restaurant-style menu selections in an elegant dining room overlooking The Betty Neagle Perennial Garden.
