

Architect's rendering of Reading Room

THE ADAMS LIBRARY

at The Osborn is beloved by residents who visit it regularly and treasure its literature, non-fiction, and other resources. As a branch of the Westchester County Library System, residents and staff are able to access books and materials with the personal assistance of our professional librarian. Luncheon proceeds will help support the renovation and expansion of the Adams Library.

THE WILLIAM W. MAURITZ READING ROOM

We are pleased to announce that the new four-seasons reading room at the Adams Library will be named in memory of William W. Mauritz, past President of The Osborn Board and a longtime Trustee. The William W. Mauritz Reading Room will provide much-needed space for reading, learning, and enjoying our beautiful landscape.

THE OSBORN CHARITY CARE PROGRAM

provides care and residency on The Osborn campus for those who outlive their resources or cannot afford to pay from the outset. It also supports Osborn Home Care services for residents of The Osborn and seniors at home in both Westchester and Fairfield Counties who cannot afford to pay for care. Luncheon proceeds will also go to support the Charity Care Program.

Women Who Make a Difference

THE OSBORN

Founded in 1908, The Osborn today is home to over 400 residents in Independent and Assisted Living, Memory Care and Skilled Nursing residences. We also care for over 500 non-residents who receive short-term and outpatient rehabilitation in The Osborn Pavilion.

OSBORN HOME CARE

Osborn Home Care has served Osborn residents on campus and those aging in their own homes since 1996 in Westchester County. In 2016, we opened an office in Greenwich, CT to care for those in Fairfield County.

THE OSBORN FOUNDATION

The Osborn Foundation's mission is to provide philanthropic support for long- and short-term initiatives that enhance the quality of life for residents of The Osborn, clients of Osborn Home Care, and seniors in our communities, including our Charity Care Program.

The Foundress Award Luncheon honors women whose professional and personal achievements enhance the quality of life for seniors and their families.
